Investigation of Revocation of)
Certificate No. 1021)

Case No. MP-2007-118

PCR Inc., trading as Americare Metro Transport, (PCR) filed an application requesting voluntary termination of Certificate No. 1021 on June 1, 2007. While the application was pending, Certificate No. 1021 was automatically suspended on June 7, 2007, pursuant to Regulation No. 58-02 for PCR's failure to maintain on file with the Commission proof of \$1.5 million in combined-single-limit, motor vehicle liability insurance as required by Commission Regulation No. 58. Order No. 10,540, served June 7, 2007, noted that Certificate No. 1021 would be subject to revocation if PCR failed to file the necessary insurance endorsement(s) and pay the \$50 late fee due under Regulation No. 67-03(c) within thirty days.

On June 29, PCR paid the \$50 late fee and filed notice that it was withdrawing its application for voluntary termination. More than thirty days have passed since PCR withdrew its application for voluntary termination, and PCR has yet to file the necessary WMATC Insurance Endorsement(s).

THEREFORE, IT IS ORDERED:

1. That Certificate of Authority No. 1021 is hereby revoked, effective this date.

2. That within 30 days from the date of this order applicant shall:

- a. remove from applicant's vehicle(s) the identification placed thereon pursuant to Commission Regulation No. 61;
- b. file a notarized affidavit with the Commission verifying compliance with the preceding requirement; and
- c. surrender Certificate No. 1021 to the Commission.
